Palazzo Goggi Marcovaldi apartments
The Palazzo Goggi Marcovaldi Apartments are two luxurious accommodations completely renovated, part of an ancient building in the historic center of Prato.

They are 5 min. walking distance from the Monash University.

The apartments have undergone an important restoration, all the installations and furnishings have just been renovated. Both places enjoy great tranquility despite their central location because they have all facing internal courtyards and a wonderful Renaissance garden “all’italiana” belonging to the main building of another property. Parquet floors, coffered ceilings, antique furniture mixed with modern furnishings and midcentury design give it a functional and welcoming character. In both of them there is an elegant entrance, a windowed independent kitchen fully equipped with household appliances (induction hob, oven, dishwasher, fridge), on the other in the large living room overlooking a historic garden.

The sleeping area have two very spacious double bedrooms with king size bed or two single beds with two bathroom, one of this en suite bathroom.

Both bathrooms have new coatings and sanitary facilities, with large showers.

Independent heating, air conditioning, TV, Wi-Fi system and laundry, coffee machine, tea boiler.

In the house there are linen for all the guests. There is not the lift but the apartments are on the first and the second floor and there is a large stair.

The apartments are in a limited traffic area and the guests that have a car will need to leave it just outside of it. I recommended to park in the big parking of Piazza Mercatale (in the blue places) or the parking in via Arcivescovo Antonio Martini, in front of the Post.
